INTRODUCCIÓN

Fleaflicker es una plataforma de deportes fantasy en la que puedes jugar baseball, basketball, hockey sobre hielo y, en el caso que más nos atañe, football americano. Está disponible totalmente gratuita en navegadores web y en app móviles, tanto en Android como en IOS.

Puedes jugar en las modalidades de Redraft y Dinaty en ligas H2H, ROTO o por puntos totales. El Commish puede customizar la liga desde 4 a 24 Managers que construirán y gestionarán su roster con el fin de ser el equipo vencedor de la temporada.

CREA TU USUARIO

Lo de siempre, un correo electrónico, una contraseña y un nombre de usuario y a disfrutar.

APP

Como ya se mencionó, es gratuita tanto para dispositivos Android como para IOS, y si tenemos que decir que es la plataforma favorita para Las 1001 Fantasy es, sin duda, en parte por su APP.

Minimalistas, estable, sin excesos de gráficos que la saturen, muy sencilla de usar y con un alto grado de customización. Los Waivers

y el Draft son pan comido para ella. Si bien se pierde el acceso a estadísticas y datos no esenciales pero útiles, y para un Commish se queda más bien corta, con esta APP se puede hacer casi de todo.
